CREDIT CARD AGREEMENT

In this Agreement, the words “we,” “our,” “us,” and “Credit Union” mean **Centex Citizens Credit Union** or its successors and assigns. “You” and “your” mean any person who signs this Agreement or uses the Card. “The Card” means any credit card issued to you or those designated by you under the terms of this Agreement. “Use of the Card” means any procedure used by you, or someone authorized by you, to make a purchase or obtain a cash advance whether or not the purchase or advance is evidenced by a signed written document. “Unauthorized use of the Card” means the use of the Card by someone other than you who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. In this Agreement, any plural terms shall be deemed singular and any singular terms shall be deemed plural when context and construction so require.

SECURITY. YOU SPECIFICALLY GRANT US A CONSENSUAL SECURITY INTEREST IN ALL INDIVIDUAL AND JOINT ACCOUNTS YOU HAVE WITH US NOW AND IN THE FUTURE TO SECURE REPAYMENT OF CREDIT EXTENSIONS MADE UNDER THIS AGREEMENT. THE GRANTING OF THIS SECURITY INTEREST IS A CONDITION FOR THE ISSUANCE OF ANY CARD, WHICH YOU MAY USE DIRECTLY OR INDIRECTLY, TO OBTAIN EXTENSIONS OF CREDIT UNDER THIS AGREEMENT. Shares and deposits in an Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given are not subject to the security interest you are giving.

ADDITIONAL SECURITY. If you have other loans with us, now or in the future, collateral securing those loans may also secure your obligations under this Agreement. Please read any security agreement you sign in order to determine if the collateral also secures your obligations under this Agreement and other agreements you have with us.

1) Extensions of Credit. If your Application is approved, the Credit Union may, at its discretion, establish a line of credit in your name and cause one or more Cards to be issued to you or those designated by you. In such event, you authorize the Credit Union to pay for your account, all items reflecting credit purchases, balance transfers, and cash advances obtained through use of the Card. You may not use your Card for any illegal purpose or transaction. The Credit Union may refuse to authorize any transaction that it believes to be illegal or that poses an undue risk or illegality. If we do process any transaction which ultimately is determined to have been for an illegal purpose, you agree that you will remain liable to us under this Agreement for any such transaction notwithstanding its illegal nature. You agree that any illegal use of the Card will be deemed an act of default under this Agreement. You further agree to waive any right to take legal action against the Credit Union for illegal use of the Card and to indemnify and hold the Credit Union and MasterCard® International, Inc. harmless from and against any lawsuits, other legal action or liability that results directly or indirectly from such illegal use.

2) Joint Applicant Liability. If this Agreement is executed by more than one person, each of you shall be jointly and individually liable to us for all charges made to the account, including applicable fees. In addition, you agree that each of you designates the other as agent for the purpose of making purchases extended under this Agreement and each use of your account shall be an extension of credit to all. Notice to one of you shall constitute notice to all. Any joint cardholder may remove him/herself from responsibility for future purchases at any time by notifying us in writing. However, removal from the account does not release you from any liability already incurred.

3) Others Using Your Account. If you allow anyone else to use your Card, you will be liable for all credit extended to such persons. You promise to pay for all purchases, balance transfers, and cash advances made by anyone whom you authorize to use your Card, whether or not you notify us that he or she will be using it. If someone else is authorized to use your Card and you want to end that person's privilege, you must notify us in writing, and if he or she has a Card, you must return the Card with your written notice for it to be effective.

4) Credit Limits. You promise the payments made for your account resulting from use of the Card will, at no time, cause the outstanding balance in your account to exceed your credit limit as disclosed to you at the time you received your Card or as adjusted from time to time at the discretion of the Credit Union. We may limit cash advances and certain other types of advances to a portion of your total credit limit. You agree that we may, but are not obligated to, extend credit to you for an amount that would make your outstanding balance exceed your total credit limit or for any amount if your outstanding balance is already over the total credit limit. If we do allow you to exceed your credit limit, that does not mean that we will allow you to exceed your credit limit in the future, and you should not expect that we will allow you to exceed your credit limit on any occasion. We can change your credit limit at any time and will notify you of the change. We may decline to honor any transactions for any reason.

5) Promise To Pay. You promise to pay us in U.S. dollars for (a) all purchases, cash advances, and balance transfers made by you or anyone whom you authorize to use the Card or account; (b) **INTEREST CHARGES** and other charges or fees; (c) collection costs and attorney's fees as permitted by applicable law and any costs incurred in the recovery of the Card; and (d) credit in excess of your credit limit that we may extend to you. At the end of each monthly billing cycle, you will be furnished with a periodic statement showing (i) the “previous balance” (the outstanding balance in the account at the beginning of the billing cycle), (ii) the amount of all cash advances, purchases and **INTEREST CHARGES** posted to your account during the billing cycle, (iii) the amount of all payments and credits posted to your account during the billing cycle, and (iv) the “new balance” which is the sum of (i) and (ii) less (iii).

6) Minimum Payment. You agree to pay on or before the “payment due date” shown on the periodic statement either the entire “New Balance,” or the minimum payment shown on the statement. Generally, the “minimum payment” will equal 3% of the New Balance or \$18, whichever is greater. If the New Balance is \$18 or less, you will pay in full. **For your account to be considered current and to avoid a Late Payment Fee, we must receive your payment of at least the Minimum Payment Due for the statement period by the Payment Due Date shown on your statement.** You may make extra payments in advance of the due date without a penalty, and you may repay any funds advanced, credit extended, or amount outstanding at any time without a penalty for early payment. Regardless of the amount of any extra payment during a given month, a monthly payment will be required the following month if a balance remains in your account. **Making a payment in excess of your minimum payment will reduce the INTEREST CHARGES that are added to your account.** Credit adjustments will not be used to meet the Minimum Payment.

7) Skip a Payment. The Credit Union may also, from time to time and at its option, offer you the opportunity to skip a payment. If you decide to skip a payment, an **INTEREST CHARGE** will continue to accrue on the balance in the account at the applicable periodic rate in accordance with this Agreement, and the payment terms applicable to the account prior to the skipped payment will automatically resume in the month immediately following the month in which you have skipped a payment.

8) Cost of Credit. For MasterCard® you will pay an **INTEREST CHARGE** for all advances made against your account at the periodic rate of .029863% per day, which has a corresponding **ANNUAL PERCENTAGE RATE** OF 10.9%; or you will pay an **INTEREST CHARGE** for all advances made against your account at the periodic rate of .032603% per day, which has a corresponding **ANNUAL PERCENTAGE RATE** OF 11.9%; or you will pay an **INTEREST CHARGE** for all advances made against your account at the periodic rate of .0038082% per day, which has a corresponding **ANNUAL PERCENTAGE RATE** OF 13.9%; or you will pay an **INTEREST CHARGE** for all advances made against your account at the periodic rate of .043562% per day, which has a corresponding **ANNUAL PERCENTAGE RATE** OF 15.9%; or you will pay an **INTEREST CHARGE** for all advances made against your account at the periodic rate of .047917% per day, which has a corresponding **ANNUAL PERCENTAGE RATE** OF 17.49%. Cash advances (including balance transfers) incur an **INTEREST CHARGE** from the date they are posted to the account. If you have paid your account in full by the due date shown on the previous monthly statement, or there is no previous balance, you have not less than 25 days to repay your account balance before an **INTEREST CHARGE** on new purchases will be imposed. Otherwise, there is no grace period and new purchases will incur an **INTEREST CHARGE** from the date they are posted to the account. The periodic **INTEREST CHARGE** is figured by applying the periodic rate to the “balance subject to **INTEREST CHARGE**” which is the “average daily balance” of your account, including certain current transactions. The “average daily balance” is arrived at by taking the beginning balance of your account each day and adding any new cash advances (including balance transfers), and unless you pay your account in full by the due date shown on your previous monthly statement or there is no previous balance, adding in new purchases, and subtracting any payments or credits and unpaid **INTEREST CHARGES**. This gives us the daily balance. The daily balances for the billing cycle are then added together and divided by the number of days in the billing cycle. The result is the “average daily balance.” The periodic **INTEREST CHARGE** is determined by multiplying the “average daily balance” by the number of days in the billing cycle and applying the periodic rate to the product. There is a minimum **INTEREST CHARGE** of _____ for each statement period in which an **INTEREST CHARGE** is due.

9) Other Charges. The following other charges (fees) will be added to your account, as applicable:

■ **ATM Fee.** If you obtain a cash advance by using an automated teller machine, you may be charged any amounts imposed upon the Credit Union by the owner or operator of the machine. Any charge made under this paragraph will be added to the balance of your account and treated as a purchase.

■ **Collection Cost Fee.** You agree to pay all reasonable costs of collection as permitted by applicable law, including without limitation, court costs and attorney's fees imposed and any costs incurred in the recovery of the Card.

■ **Returned Payment Fee.** If a check, share draft or other order used to make a payment on your account is returned unpaid, you may be charged a fee of \$25 for each item returned. In no event will the Returned Payment Fee exceed the minimum payment amount for the applicable statement period.

■ **Late Payment Fee.** If you are late in making a payment, a late charge of \$5 may be added to your account.

■ **Card Replacement Fee.** You may be charged \$5 for each replacement Card that is issued to you for any reason.

■ **Document Copy Fee.** You may be charged \$2 for each copy of a sales draft or statement that you request (except when the request is made in conjunction with a billing error made by the Credit Union).

■ **Expedited Payment Fee.** You may be charged a fee if you request an expedited payment through a cardholder service representative.

We may waive any of the fees in this Agreement at our discretion, but we reserve the right at any time to begin charging any fee that was previously waived without providing notice to you.

10) Increasing ARPs or Changing Terms of Agreement. The Credit Union will provide members 45 days' notice before increasing a member's annual percentage rate (APR) or changing any other significant terms in the credit agreement, pursuant to the Credit Union's Truth in Lending Policy.

11) Credit Insurance. If available, credit insurance is not required for any extension of credit under this Agreement. However, you may purchase any credit insurance available through the Credit Union and have the premium added to the outstanding balance in your account. If you elect to do so, you will be given the necessary disclosures and documents separately.

12) Renewal and Replacement of Cards. We will continue to issue renewal or replacement Cards until we revoke the right to use the Card or until your Card account is closed.

13) Liability for Unauthorized Use. You may be liable for the unauthorized use of your Card. If you notice the loss or theft of your Card or a possible unauthorized use of your Card, you should call us immediately at:

Lost/Stolen: (800) 599-7889

Credit Card Center: P.O. Box 1252
Mexia, Texas 76667

Fraud Phone: (800) 369-4887

Although you may write to notify us of unauthorized use, calling us immediately at the telephone number above is the best way to keep your possible losses down.

Under MasterCard's zero liability policy, you will not be liable for any unauthorized use of your MasterCard once you notify us orally or in writing of the loss, theft, or possible unauthorized use and you meet the following conditions: you have exercised reasonable care in safeguarding the Card from risk of loss or theft, and upon becoming aware of any loss, theft, or unauthorized use, promptly notify us.

You will not be liable for any unauthorized use that occurs after you notify us. You may, however, be liable for unauthorized use that occurs before your notice to us. In any case, your liability will not exceed \$50.00.

14) Crediting of Payments. We do not charge for payments made by mail or other standard payment methods approved by us: All payments made on your account at the address designated for payment on the monthly periodic statement or by way of any other approved payment methods will generally be credited to your account on the date of receipt. If the date of receipt for a mailed payment is not a business day, your payment may not be credited on the first business day following receipt. Payments received in person by one of our branch employees before the close of business will receive same-day credit. If payment is made at any location other than the address designated on the periodic statement or any other standard payment method we accept, credit for such payment may be delayed up to five days. A payment submitted in the form of a check or other paper document may be converted to an electronic transaction through procedures established by the National Automated Clearing House Association. If this occurs, the original check or other document sent to us will not be retained, but a copy would be available if requested. All required minimum payments on your account will be applied first to collection costs, then to any **INTEREST CHARGE** and other fees due, and then to the unpaid principal balance. Payments made in excess of the required minimum payment will be applied first to the balances with the highest interest rate, if applicable. Interest paid or agreed to be paid shall not exceed the maximum amount permissible under applicable law, and in any contingency whatsoever, if we shall receive anything of value deemed interest under applicable law which would exceed the maximum amount of interest permissible under applicable law, the excessive interest shall be applied to the reduction of the unpaid principal amount or refunded to you.

Continued on reverse side

15) Default. You will be in default: (1) if you fail to make any payment on time; (2) if you fail to keep any promises you have made under this or any other Agreement with the Credit Union; (3) if you become insolvent or are the subject of an order for relief under Title 11 of the U.S. Code (Bankruptcy); (4) if you die; (5) if anyone tries, by legal process, to take any of your money in the Credit Union; (6) if you have given the Credit Union false or inaccurate information in obtaining your Card or in connection with any periodic update of your information; (7) if you use your Card or account for an illegal transaction; or (8) if anything happens which the Credit Union reasonably believes endangers your willingness or ability to repay what you owe.

16) Acceleration. If you are in default, the Credit Union may, without prior notice to you, call any amounts you still owe immediately due and payable plus **INTEREST CHARGES**, which shall continue to accrue until the entire amount is paid. You expressly waive any right to notice or demand, including but not limited to, demand upon default, notice of intention to accelerate, and notice of acceleration. The Card remains the property of the Credit Union at all times, and you agree to immediately surrender the Card upon demand of the Credit Union.

17) Telephone Monitoring and Contacting You. You agree, in order for us to service your account or to collect any amounts you may owe, that we, our agents, and our servicer company may monitor and/or record any telephone communications with you. We also may contact you for all purposes (including for collection purposes) using all forms of communication, including voice, text messaging, and email, and all contact information you provide to us, including any cellular telephone number and email address you have provided to us. You agree that we may use automated equipment to dial your telephone number or to deliver messages to you. You may limit this consent based on the options we may provide by calling our Card Services department. Any charges for contacting you that may be billed to you by your communications carrier are your responsibility.

18) Transaction Authorizations. Some transactions on your account may require prior approval. These prior approvals are called "authorizations." We may limit the number of authorizations we will give the account during any certain period of time (day, weekend, week) and we may deny an authorization if we suspect that your account is being used without your permission. If our authorization system is not working fully, we may be unable to give an authorization even though the transaction would not exceed your credit limit. You agree we will not be liable for failing to give an authorization. Transactions at some participating merchants (such as hotels, car rental companies, restaurants and gas stations) may result in authorizations for amounts greater than the actual purchase amount, which will have the effect of making less credit available on your account for several days (usually until the date the actual purchase amount is received from the merchant).

19) Refusal to Authorize Transactions. We may decline any transaction on your account for any of the following reasons: (1) operational reasons, (2) your account is in default (including exceeding your credit limit); (3) suspected fraudulent or unlawful activity, or (4) any other reason we choose. In addition, we reserve the right to deny transactions or authorizations from merchants whom we believe may be engaging in Internet gambling or are otherwise engaged in such business. We are not responsible for the refusal of any merchant, financial institution, or ATM to honor your Card or convenience checks issued on your Account.

20) Additional Benefits/Card Enhancements. The Credit Union may from time to time offer additional services to your account at no additional cost to you. You understand that the Credit Union is not obligated to offer such services and may withdraw or change them at any time.

21) Convenience Checks. The Credit Union may, at its discretion, issue checks to you which may be used for any purpose other than making a payment for credit to your account. By signing such check, you authorize the Credit Union to pay the item for the amount indicated and post such amount as a cash advance to your account. When we receive a convenience check, we may review your account when deciding whether to pay the check, and you agree that we have the right not to pay a convenience check for any reason. You agree that our refusal to pay a convenience check shall not constitute wrongful dishonor. The Credit Union does not have to pay any item, which would cause the outstanding balance in your account to exceed your credit limit.

22) Continuation of Credit. The Credit Union may from time to time request personal information from you for the purpose of updating your credit status, according to normal credit procedures. Your failure to provide such information when requested by the Credit Union may result in suspension of your line of credit privileges under this Agreement, including your ability to obtain any future advances by any means.

23) International Transactions. If you effect an international transaction with your MasterCard, MasterCard International will convert the charge into a U.S. dollar amount. MasterCard International will use its currency conversion procedure, which is disclosed to institutions that issue MasterCard cards. Currently, the currency conversion rate used by MasterCard International to determine the transaction amount in U.S. dollars for such transactions is generally either a government-mandated exchange rate or a wholesale exchange rate selected by MasterCard International for the applicable currency on the day the transaction is processed, which rate may differ from the applicable rate on the date the transaction occurred or when the transaction is posted to your account. We will charge a Foreign Transaction Fee of up to 1% on all international purchase, cash disbursement, and account credit transactions. There is no grace period within which to repay international transactions in order to avoid the Foreign Transaction Fee.

24) Termination or Changes. The Credit Union may terminate this Agreement at any time with or without cause, subject to applicable law, and subject to such notice as may be required by applicable law. You may terminate this Agreement, by written notice, as to future advances at any time. Termination by either party shall not affect your obligation to repay any payments made for your account resulting from use of the Card as well as **INTEREST CHARGES** and other related charges. The Credit Union may add to, change, or delete the terms of this Agreement, including the method of calculating the periodic rate, at any time subject to such notice as may be required by applicable law. If you use your Card or account to make a purchase or cash advance after having been given notice of a change in terms, you agree that the existing balance in your account at the time of that use will be subject to the new terms, as shall subsequent uses, to the extent permitted by law.

25) Credit Information. You authorize the Credit Union to investigate your credit standing and employment history when opening or reviewing your account. You authorize the Credit Union to disclose information regarding your account to credit bureaus and creditors who inquire about your credit standing.

26) Notification Address for Information Reported to Consumer Reporting Agencies. We may report the status and payment history of your account to credit reporting agencies each month. If you believe that the information we have reported is inaccurate or incomplete, please notify us in writing at **Centex Citizens Credit Union, PO Box 1252, Mexia, Texas 76667**. Please include your name, address, home telephone number and account number, and identify the information you believe is incorrect. If your notification relates to an incident of identity theft, we will require a copy of your identity theft report filed with law enforcement authorities.

27) Statements and Notices; Change of Name, Telephone Number, or Address. Statements and notices will be mailed to you at the most recent address you have given the Credit Union. You agree to give us prompt notice in writing of any change in your name, home address, mailing address, email address, telephone number, or place of employment.

28) Copy Received. By signing the Application, by using the Card or the account, or by authorizing any other person to use the Card or account, you agree to all the terms and conditions and promise to perform all the obligations, requirements, and duties contained in this Agreement, and if you signed the Credit Card Application, you acknowledge that you have received a copy of this Agreement. You agree to notify each Cardholder and authorized user that their use of a Card or the account is subject to this Agreement.

29) Additional Provisions. Each provision of this Agreement must be considered as part of the total Agreement and cannot, in any way, be severed from it. However, you also agree that should any part of the Agreement be found invalid, it will in no way affect the remainder of the Agreement. You understand the validity, construction, and enforcement of this Agreement shall be governed by the laws of the State of Texas and federal law. Use of your Card is also subject to the policies and rules of MasterCard International, as applicable and in effect from time to time, which do not conflict with the terms of this Agreement. The Credit Union does not warrant any merchandise or services purchased by you with the Card. All purchases and cash advances are extended at the option of the merchant or cash advancing financial institution and the Credit Union is not responsible for refusal of any merchant or financial institution to honor your Card. We can accept late payments or partial payments or checks or money orders marked "payment in full" without losing any of our rights under this Agreement. We can also waive or delay enforcing any of our rights under this Agreement without losing our right to enforce them in the future. No indulgence or acceptance by us of delinquent or partial payments constitutes a waiver of our rights or of any provision of this Agreement. No waiver of any existing default shall be deemed to waive any subsequent default.

YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What to Do if You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

Centex Citizens Credit Union

Attn: Credit Department
PO Box 1252
Mexia, Texas 76667

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your statement, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe your statement is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your statement is wrong, you must write to us within **10 days** telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your statement. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights if You are Dissatisfied with Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase. If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

Centex Citizens Credit Union

Attn: Credit Department
PO Box 1252
Mexia, Texas 76667

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
