

CCCU invites you to skip your November or December payment on all loans excluding Home Equity, Mortgage, Personal LOC's, Modifications and Mastercard. If you have more than one loan at CCCU, you can choose to Skip-A-Payment on each loan you have with us.

Simply complete the Skip-A-Pay request form below and fax, email or return the bottom portion to any CCCU location. There is a \$ 30.00 fee for each loan you want to skip. Just designate on the request form how you would like to pay.

Loans that are past due or have been past due during the year may not be eligible for the promotion. Interest will continue to accrue on the unpaid balance of your loan and will be part of your final payment. Thus, the interest amount you will pay on your loan may be more than the amount originally disclosed and could extend your loan term. Skip-A-Pays are limited when your loans have Gap coverage and may affect GAP payment outcomes.

If you have any questions concerning how this Skip-A-Pay plan may affect your loan balance or Gap coverage, please call any CCCU location and speak with a representative of the loan department.
