CCCU In the Community

We love getting out and about in our communities! (At left) Recently, Ashton manned the table at a career fair in Wortham and got to meet some young members! (Below) Klaudia attended Gran Kermes at Iglesia Monte De Sion in Ennis and had the chance to chat with some of our members and potential members there.

CCCU is Keeping You on the Road!

Did you know that CCCU offers GAP (Guaranteed Asset Protection) and MRC (Mechanical Repair Coverage) extended warranty for vehicles?

The GAP plan will cover the amount to pay off your loan balance (whatever your primary auto insurance doesn't pay) so if your car is stolen or totaled, you won't be in the hole. Pay for it with your monthly payment, or separately!

The MRC pays for the cost of covered repairs, less any deductible. It doesn't cover regular wear and tear, but it can cover most repairs, plus rental reimbursement, roadside assistance, and it's transferable! Come see us today about adding this coverage!

Need A Summer Get-Away?

Beach? Mountains? State Parks? Come see us for a quick and easy loan and you'll be on the road, in the air—or better yet—on the beach in no time! Our friendly Loan Representatives at any of our convenient locations will be happy to help you get to your happy place this summer!

Spotlight on Service Anniversaries!

LaTonya Molina

Ariel Minchew

Patricia Luna

We consider ourselves lucky to have such a terrific team at all of our branch locations! This quarter, we are pleased to spotlight three of our staff celebrating milestone anniversaries: LaTonya Molina (20 years); Ariel Minchew (10 years); and Patricia Luna (5 years). If you see these ladies, please congratulate them on their service!

Getting to New Staff: Meet Justin

Hello, My name is Justin Woodall and I am a teller here at CCCU. I have been a part of the Centex Family for 5 months and have enjoyed getting to know our members and helping them along the way.

My family and friends mean a lot to me and I always enjoy meeting new friendly faces. I will be working on completing my Bachelor's Degree starting this fall because I feel there is always room for growth and for me, the sky's the limit in what I can do. When I'm not at work you can usually find me in the kitchen cooking, baking, or out exploring new places to visit.

If I haven't met you yet, I look forward to doing so!
